Just after midnight Wednesday, an anonymous caller tipped the Illicit Substances Control Division of the NBPD that a giant shmutz rave was underway at 16002 West Farnsworth Road, a picturesque farm several miles outside town.

What was particularly disturbing to police who raided the party was the number of children, known as shmutz babies, that were in attendance.

The moonlighting musicmeister DJ Saddam was held briefly, but posted bail and promptly disappeared, leading to a frenzy of NBPD finger-pointing and forehead-slapping.

## BROBOTS ATTACK!

### Mad Scientist Connection?

By Ed Coonce

Disturbing new analysis of dozens of newly revealed satellite photos has linked sightings in the Quaintsville area of Brobots on the loose to the insidious experiments of the missing Professor Hanover Klingst.

Klingst, the creator of the intelligent chimps and their resultant mayhem, was rumored to be designing African-American themed monsters, such as the sixteen legged Hiphopatroid, the Basketball Jones Bomber, and now, the most sophisticated of them all, the Brobot. Nearly ten feet high, the massive metal miscreants showed no mercy as they pillaged three AM-PM MiniMarts in Quaintsville and Pottstown.

Caught on tape, the menacing manglers threatened Karl Mannfredrickson, the franchise owner of the Pottstown AM-PM. (see accompanying photo.) Speaking in a tinny electronic voice, the brobots demanded the contents of the safe, a case of AfroSheen, and any and all back issues of Playgirl

### POPE EDDY LOSES IT

By Ernbo Flemmerton

When he noticed that his entire congregation was listening to iPods during his last three-hour Appreciation Day Mass, Pope Eddy Delaunty erupted in exasperation. "That's it!", he yelled, only an hour into the Mass. "Everybody leave!"

While churchmembers filed out, Pope Eddy dropped dramatically to his knees and intoned the Almighty. "Please, Lord", he prayed, bring an affliction on iPods everywhere! We're tired, tired, really, really tired
